**Sacred Work** - Individual consultations by telephone (707-464-8538) or mobile phone (707-954-0862).

Consultations are based on witnessing - helping us to "answer our own questions by reflecting on nature and conversing with our own sacred witness." - From *The Power Deck* by Lynn V. Andrews.

*Some of the techniques that I love to work with are:*

- Using Sacred Wheels
- Shamanizing
- Discovering our instinctual natures
- Finding our lines of orientation
- Using mirrors of reflection
- Meditations
- Heyoka teachings
