Included are sacred fire ceremonies and soon a labyrinth.

Individual Philosophy

Diane's latest and most leading-edge energy meditations include 'The Stargate Experience'. She is a certified Stargate Facilitator and offers Stargate Meditations at her Center twice a month. Diane has been actively working with the worldwide Stargate group for over 6 years. This group now expands 60 countries. In the middle of her Center is a 6-foot copper Stargate. Diane believes that the Stargate Explorations into the expansive quantum field are the leading edge to all dimensions and to eventually experiencing our New Earth. Diane has come full circle and combines her Shamanic roots and her Stargate experience to create Heaven on Earth so to speak. The Earth grounds us and our

physical bodies as we ascend with The Stargate to higher dimensions being able to experience our Angelic and Star Family Guides.

Diane is founder of the Placerville Drum Circle. This is a group of like-minded people who meet monthly to drum, dance, journey and support each other. Her new center is out in nature so working with the nature spirits and drumming around an open fire are part of the ceremonies. The group is open to the public, so ask her about events upcoming

Diane is a Spiritual teacher and healer and enjoys private counseling sessions with those seeking answers to personal questions.
