## April In Spirit

### Teaching

*Dear Friends,*

Welcome to Spring. It takes incredible effort and intent for a flower to lift out of the ground and bloom. Dear Friend... where is your back bone? This is not a time to be wistful and complaining. This is a time to be strong, to burst out of your dreaming days and nights and define what and who you are with dignity and power.

What if a flower just simply meandered toward the surface? Bright perfect petals would be lost and leaves askew. Do not be like that agonizing sprout. Move up towards the sun, your path of enlightenment, and thank the Great Spirit for your destiny. Let Spirit hear your voice.

In springtime we often feel lazy with the change of seasons, slowly coming out of winter. That is inappropriate and frankly shameful in this period of our enlightenment. Announce to the world what you have accomplished and find what is yours by right. Great Spirit is giving you a great gift of wisdom and knowledge. This is blossoming within your being.

You are magnificent and new and perfect. Let the world know about it.

Be humble and a warrior of spirit, and define to yourself what that means. If you are mealy mouthed and lame, you will be trampled by other's intent. Grab hold of your own intent as if you are climbing a mountain and pulling yourself up with all your strength. Take your strength as a spirit warrior. Get on your feet and take off running towards the true meaning of your life.

Blessings and love,

*Power Deck Card #24 - Force*

**Force lives in your will and comes from your intent. Life is a process of pulling back your bow, aiming your arrow, choosing a target, and shooting. The degree and quality of the force with which you choose your target and shoot, determine your power and your success. Force is built through your integrity of purpose, your physical tuning, and your balance of spirit and mind. By naming your act of power, you create force. Follow**

your innermost passions in life. Empower your will and your strength of force by manifesting your secret dreams. (Force Card, from The Power Deck-The Cards of Wisdom)

## *Council's Corner*

**Welcome to Council of the Horse....here at Creare  
Ranch in Columbia City, Indiana!**

**Our group (usually 5 to 10 women) meet each month on  
or near the new moon. We invite all to come to the  
council meetings where we release the stress from daily  
life and explore the teachings of Lynn and the Sisterhood  
of the Shields. We especially enjoy smudging, drumming  
and working with our Animal Spirit Guides in sacred  
ceremony receiving their special healing and teachings.**

**Our activities vary. We may journey with our power  
animals for messages & insights. We often find our  
horses, ponies, burros and our donkey Sweetie, want to  
be involved in some mischievous or wonderful way as we  
explore our dreams. We have to guard our drums, rattles  
and water bottles or they may be carried off!**

**We have enjoyed moments when we drum over each  
person for healing. They sit or lie on a bale of hay in the  
center. The horses often participate coming to stand by  
whoever needs healing. They may put their heads on  
certain group members.**

**One favorite activity was our stone sitting meditation in**

**the fairy and elf garden. We sat on huge rocks and discovered what that rock had to share with us. We received messages. We discerned whether a particular rock was male or female.**

**Whether we are by the campfire or in the fairy garden or in the arena with the animals, we know that you'll feel invigorated & enriched by experiencing our council, the Council of the Horse.**
