

December 2014

Dear Friends,

My heart is filled with an abundance of the gifts of this time of year. What a glorious time it is, a holiday season filled with love and joy.

Spirit loves to join us in happiness and ceremony. When you are feeling blue, open your heart to Spirit. Let your thoughts go, and remember and celebrate the God-being you truly are.

The Sisterhood of the Shields and I are dreaming beauty into your lives and we are singing a song that I would like to share with you. It is about a woman who dwells in the Place of Mists:

*She is arching the caverns of the clouds,
Arching the Earth with beauty.
Bride she is of the luminous Sun –
Their offspring is the corn of all colors.*

With so much love and spirit, the Sisterhood and I send joyous thoughts to you in this coming year. It will be filled with creativity and wisdom.

In Spirit, Blessings and Love,

Lynn, the Sisterhood of the Shields,
And everyone at Lynn Andrews Productions
