

MAY 2019 • ISSUE 13 • VOL 5

The energy of this new season is a time for new beginnings, new ceremonies, new thoughts.

I am so aware these days of our construction in the world as a result of belief structures. For example, in the name of an ideal and belief, 'I kill you in the name of God.' The words I kill you ..., shows an endless ignorance of the human scenario. How is it that we cannot learn from our history? Always when someone steps into our circle of power, we must defend our circle, our boundaries. A boundary does not have to be a belief structure.

It is a beautiful thing for people to be different, to have different cultures. Celebrate the differences, don't destroy them! If we only have one color in the world, how boring that would be. Look at the differences in the world for a moment through the lens of aesthetics. Notice the texture of the sounds, the fragrance, the art, music and literature of various people in the world. We are all so different and yet we are really all the same. We all want to

aspire to them. Beauty, truth and peace are in our prayers. In this new time in history, there should be an elevated consciousness that goes beyond any judgment of fabric or a taste or a recipe for life that is unlike our own. **The differences in life are where the teachings live.**

**Pray for the wisdom of all people to lift into a new hologram of existence. Pray and see your self expanded onto a new plateau of sublime existence. It is available to you.** Paradise is within you and you are the seed for that magnificent garden. It is our responsibility to plant that garden and bring paradise back into our lives. As apprentices of

higher consciousness, we often feel that we need *more* spirit, that we don't get enough spirit from our teachers. But spirit comes to you partly through change of the thing you are most afraid of. *We are apprentices of change not usually the changers.*

In Spirit,

## Kindred Spirit Radio Show

**With Host Lynn Andrews**

On HealthyLife.net Internet Radio

**Tuesday,  
May 28, 2019**

**9:00 – 10:00 a.m. (Pacific Time)**

Lynn's guest: **Rand and Rose Flem-Ath**

Join Lynn on her monthly Radio show as she interviews Rand and Rose Flem-Ath, authors of *The Murder of Moses*. Together they discuss their book on 'How an Egyptian Magician Assassinated Moses, Stole His Identity, and Hijacked the Exodus'.

*The Murder of Moses* was a year long investigation of how Moses was deceived and murdered by his father-in-law, Reuel.

The life of Moses, the greatest prophet of the Old Testament, has always been shrouded in mystery. The Bible mentions no witnesses to Moses' death, no funeral, and no indication of his burial place, and the story of Exodus paints a very contradictory picture of this man so important to both Judaism and Christianity. At times, he is depicted as a meek, stuttering figure and at others his tyrannical commands and fits of rage terrorize the children of Israel. And, for the last years of his life, he chose to hide behind a veil. What is the explanation for these extreme shifts in character? Was Moses mentally ill? As Rand and Rose Flem-Ath reveal, the evidence points to something much more sinister: Moses was murdered and replaced by an impostor.
