## SUMMER! Light of the Sun. Stars of the Heavens.

**New beginnings for the middle of summer.** The moon is the symbol of powerful feminine. A new moon is a wonderful time to do new ceremony.

It is also a time to look into the Sky Father and the magnificent sun that is the generator of life and the igniter of your shift of enlightenment within your being.

When you lie in the sun, when you swim, when you walk with rays of sunlight coming through the trees reflecting off of the leaves, observe your shadow on the earth.

How much of that shadow represents the confusion within you that is unexpressed?

The senses around your consciousness are dark and without soul. The brilliance of your Spirit Cathedral is golden and etched forever a brilliant white.

How does your shadow and your belief

structure relate to what is real within you?

**Is this light but a dream, an illusion  
and what is real to you?**

**This is for you to ascertain.**

What stars in the heavens do you relate to? In  
which reflections of energy do you hold as your  
own?

I send you so many blessings and love.

*Enjoy your summer and all that you are!*

PS. As you lie your on back in the  
moonlight enjoying the warm  
summer nights, observe the stars  
above you.

Know where the constellations live  
in the sky. If you don't know them,  
this would be a great time to learn  
about them. Then discover where  
are these constellations live in  
your body.

Probably one constellation will be  
more important to you depending  
on your astrological sign in  
particularly.

We will talk about this later at the  
upcoming Summer Gathering  
Event (JT) in Prescott. I cannot  
wait to see you and share all the experiences that we're going to have and we are  
having in Europe on our cruise on the Danube.

In Light,

**9:00 – 10:00 a.m. (Pacific Time)**

Lynn's guest: **Bryn Blankenship**

Join Lynn in July on her monthly Radio show as she interviews Bryn Blankenship,

author of "*The Limitless Soul*". Together they discuss her book and talk about Hypno-Regression Case Studies and how it affects your Past, Present, and Future Lives.

About the book... Access the Soul Level of Your Mind to Resolve Current Life Issues

Featuring numerous past life, afterlife, and future life case studies, *The Limitless Soul* invites you to explore the many aspects of a soul's existence. These narratives show that life is not a random series of events, and they can be used to gain insight into your soul's future while exploring earthly lessons for your current incarnation. Using her hypno-regression technique, Soul Expression Spiritual Regression (SESR), author Bryn Blankinship explains how revisiting certain times in your soul's history can bring resolution to long-standing issues and shift energies that are affecting your current life incarnation. This enlightening book carries universal messages and offers hands-on exercises, meditations, and practices for awakening your soul's guidance. With it, you'll discover your personal gifts and a deeper understanding of your place in this world.
