Follow your innermost passions in life.

“Force lives in your will and comes from your intent. Life is a process of pulling back your bow, aiming your arrow, choosing a target, and shooting. The degree and quality of the force with which you choose your target and shoot determine your power and your success. Force is built through your integrity of purpose, your physical tuning, and your balance of spirit and mind. By naming your act of power, you create force. Follow your innermost passions in life. Empower your will and your strength of force by manifesting your secret dreams.”

An act of Power is also an act of love

An act of power is also an act of love because for there to be power in your life, there must also be love. The two balance one another. So, love yourself, and forgive yourself your flaws and fears. The Great Spirit and The Sisterhood love you and support you, so rest within that knowledge and be kind to yourself.

"Prayer for Daily Empowerment"

I am a new warrior of spirit.
I exist in a world of sacred balance.
I balance with one foot in the physical world of material substance,
And one foot in the dimensions of spirit and sacred life.
My course is set by my ally, the winds of time.
Mother Earth gives me life force, the lifeblood of my sacred body.
The plants give me nourishment and healing
as I ride the Windhorse of my intent –

My sacred warrior's transport of buoyant joy
Into a new and unknown world of harmony.
I am truly a new warrior, an androgynous spirit being of light.
My weapons are the shields of awareness
The symbols of ancient truth and the sacred giveaway.
Like the angels that surround me, few see me for who I really am.
I do commerce in the world.
I raise my family.
I live a life dedicated to freedom.–

I immerse myself in the physical world so that one day I can give it up,
Because I can give up only something that I truly have.
People learn from me through example,

Because of the integrity of my own life and spirit.
I move into the world with confidence and wisdom.
I am always open and learning tools of knowledge,
And I share these tools with my sisters and brothers.
I am a warrior of the light,
And I live the integrity of that truth with great care
And from a center within myself that is pure goodness –
The embodiment of the peaceful soul.
I walk with confidence the path of heart and personal power. Ho!
